Good afternoon Tracy,

See this most important Historical Report, on the UN visit to Standing Rock, October 28 - 31, 2016 by United Nations Permanent Forum on Indigenous Issues Expert, Grand Chief Edward John (for Press publication at SRST's request).

"Greetings,

Please find enclosed the report of Grand Chief Edward John on his official visit to Standing Rock Oct. 28 – 31, 2016 carried out in his official capacity as an expert member of the United Nations Permanent Forum on Indigenous Issues.

He was accompanied by Roberto Borrero representing the International Indian Treaty Council as a human rights observer based on IITC's standing in General Consultative Status with the UN Economic and Social Council (ECOSOC).

As of yesterday evening I am informed by Grand Chief John that these reports are considered public since they have been posted and shared with the appropriate United Nations bodies and mandate-holders as well as the Standing Rock Tribal leaders. They can therefore be circulated, posted, disseminated and used by the press. Please note at the end of Roberto's report there are photos which can also be used with credit.

For press statements and interviews, please contact Grand Chief John via his cell phone (718) 772-8218. Roberto Borrero (currently in Morocco for the 22<sup>nd</sup> Conference of the Parties on the UN Framework Convention on Climate Change) can be reached on his cell phone (917) 334-5658.
